Thanks Ivan, yes, been tracking these legislative calls, Mike M has been checking in regularly with Congressmen McCarthy's staff, which has been helpful as they are very engaged on our work with DOGGR and with operators in the state.

You are probably both in the loop on this, but just in case . . .

**Rep. Lois Capps (D-CA-24):** Brent Maier along with Water Division's Mike Montgomery held a call with San Luis Obispo Field Representative Greg Haas regarding the Arroyo Grande aquifer exemption proposal to address some questions that Greg Haas had with regard the status of the permit decision. We committed to offering the Congresswoman's office an update and Brent sent out a calendar invite to proposing to update their office on Monday, July 11<sup>th</sup>. In addition, Brent also sent out a calendar invite to Congressman Kevin McCarthy's Kyle Lombardi and Vince Fong to provide them with an update following our call with Congresswoman Capps office. Awaiting confirmations back as to availability.
